

ATF MD III TRANSMISSION - MINERAL

Description:

High quality automatic transmission fluid (ATF), formulated with high viscosity index mineral oils and carefully selected additives. It is blended to meet the strict requirements of the major automotive transmission manufacturers.

Applications:

- Manual gearboxes.
- Automatic gearboxes for passenger cars.
- Automatic gearboxes for heavy vehicles.
- Power assisted steering.
- Certain hydraulic applications that require oils that meet viscosity requirements ISO VG 32-46-68.

Product Benefits:

- Modified friction.
- Exceptionally high oxidation resistance
- Excellent shear stability.
- Reliable gear and wear protection.
- Low temperature performance.
- Provides consistent, reliable, smooth and trouble-free operation of transmission systems cars.
- Resistant to oil degradation and keeps automatic transmissions clean.
- Special "VI" improver minimizes viscosity changes with operating temperature.
- Long component life.
- Excellent oil fluidity at low temperatures.

Technical properties:

TYPE OF ANALYSIS	METHOD	RESULT
Color	-	Red
Density 20°C, g/ml,	ASTM D-4052	0.864
Kinematic Viscosity at 40°C, mm ² /s	ASTM D-445	33.8
Kinematic Viscosity at 100°C, mm ² /s	ASTM D-445	7.3
Viscosity index	ASTM D-2270	175
Flash point, °C	ASTM D-92	180°C
Pour point, °C	ASTM D-97	-48°C

* Note: These features are representative of current production. Although future production will conform to current specifications, variations in these features may occur.

ATF MD III TRANSMISSION - MINERAL

Specifications / Recommendations:

Suitable for use in all vehicles where GM Dexron® III, Ford Mercon® or Allison C-4 fluids are required.

Do not use when GM Dexron® VI or Ford Mercon® V/Mercon® SP/Mercon® LV fluids are specified.

Health and Safety:

Based on available information, this product is not expected to cause adverse health effects when used for its intended application and the recommendations provided in the Material Safety Data Sheet (MSDS/SDS) are followed. MSDS are available upon request through your sales contact office.

This product should not be used for purposes other than its intended use. If you are disposing of the used product, please take care to protect the environment.
